### **Inclement Weather/Unscheduled Closing Policy**

Village Music School may be OPEN when Wake County Schools are closed. This statement pertains to school holidays and closures for inclement weather. If we do have to close for inclement weather, this information will be added to the Google calendar by 1:30 P.M. We will consider the driving conditions of the roads for afternoon and early evening hours.

Please check the google calendar on our website to determine if Village Music School is closed. Please be aware that *closures and special events* will be specified on our calendar. If lessons and office hours are being held as *normally scheduled*, *no entry* is depicted on the Village Music School calendar.

The following link is to the Calendar page on our website. From this link, the Google calendar link may be selected. The Google calendar will have the most up-to-date information available.

If it becomes necessary for Village Music School to close the facility and cancel scheduled lessons, a group lesson or workshop will be offered to those students impacted by this closure.

Some instructors may wish to schedule a Saturday workshop in addition to the following dates. Therefore, Saturday dates may be an additional option for students impacted by VMS closures. At least 2 weeks notice will be given regarding Saturday workshops. Advance registration will be required. Please check the bulletin boards and Google calendar for specific dates and times.

The following dates will be reserved for group classes. Classes will be scheduled on one or more of these dates, as needed. Registration will be required prior to attendance due to limited class sizes. All of these dates coincide with WCPSS holidays or early release days. The classes will be scheduled in the early afternoon and WILL NOT interfere with or replace lessons scheduled for these dates. Please contact someone in the Taylor Building office in person or by phone at (919) 461-7125 for more details.
