

"Exploration of Drums, Cymbals and Melodic Percussion"

This is an introduction to drums, cymbals and melodic percussion. Bring in your own music and re-interpret it on drums!

"From Classical to Jazz with Ragtime in Between"

Bach, Joplin and Coltrane: Making the connection between classical and jazz with ragtime in the middle! Bring in your own instrument and come ready to have fun. Drums, xylophone and piano provided.

"Instruments of the Orchestra"

A hands-on look at the percussion parts for a Durham Symphony Orchestra performance. Come learn how to play snare drum, xylophone, orchestra bells, crash cymbals, triangle, concert bass drum & drum set! We will listen to and play along with music from Porgy & Bess, Phantom of the Opera, operatic overtures by Wagner, Suppé, Bizet, and Sousa Marches.
